16-10992-smb Doc 636-1 Filed 06/23/16 Entered 06/23/16 10:58:56 Exhibit A: Huebner Declaration Pg 3 of 35

- 1. I am a partner of the firm of Davis Polk & Wardwell LLP ("**Davis Polk**"), a law firm with its principal office at 450 Lexington Avenue, New York, New York 10017, and other offices in Washington, D.C., Menlo Park, London, Paris, Madrid, São Paulo, Tokyo, Beijing and Hong Kong.
- 2. I submit this declaration (this "Declaration") in connection with the motion (the "Motion") of SunEdison, Inc. ("SUNE") and certain of its affiliates, the debtors and debtors in possession in the above-captioned cases (collectively, the "Debtors" and, together with their non-Debtor affiliates, "SunEdison" or the "Company"), for an order authorizing the Debtors to pay the fees and expenses of Davis Polk as counsel to the Independent Directors (as defined below). Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein. To the extent any information disclosed herein requires amendment or modification upon Davis Polk's completion of further review, or as additional party in interest information becomes available, a supplemental declaration (by me or another member of Davis Polk) will be submitted to the Court reflecting such amended or modified information.

#### DAVIS POLK DOES NOT REPRESENT OR HOLD ANY ADVERSE INTERESTS ON THE MATTERS FOR WHICH IT IS BEING RETAINED

- 3. Except as set forth herein, to the best of my knowledge, after due inquiry, neither I, Davis Polk, nor any member, counsel, or associate of, Davis Polk represents any party in interest or entity other than the Independent Directors in connection with these chapter 11 cases.
- 4. Neither Davis Polk nor any partner of, counsel to, or associate of Davis Polk represents any entity, other than as described below, in connection with the Debtors' chapter 11 cases. In addition, except as set forth herein, to the best of my knowledge after due inquiry, neither Davis Polk nor any partner of, counsel to, or associate of Davis Polk represents

16-10992-smb Doc 636-1 Filed 06/23/16 Entered 06/23/16 10:58:56 Exhibit A: Huebner Declaration Pg 4 of 35

any party in interest in these chapter 11 cases in matters related to Davis Polk's proposed services to the Independent Directors.

#### DAVIS POLK'S RELATIONSHIP WITH THE DEBTORS AND THE INDEPENDENT DIRECTORS

5. SUNE's board of directors (the "**Board**") has seven directors who are not officers of, or employed by, SunEdison (the "**Independent Directors**"). The Independent Directors have extensive business experience, including in accounting and finance. The Board is actively involved in the Debtors' restructuring.

#### **DAVIS POLK'S DISCLOSURES**

- 6. Davis Polk has a large and diversified legal practice that encompasses the representation of many financial institutions and commercial corporations, including entities that have interests in distressed debt and/or distressed entities. Davis Polk has in the past represented, currently represents, and may in the future represent, entities that are claimants of, or interest holders in, the Debtors, in matters unrelated to the Debtors' chapter 11 cases (the "Chapter 11 Cases"). Some of these entities are, or may consider themselves to be, creditors or parties in interest in the Chapter 11 Cases or may otherwise have interests in these cases. Davis Polk has not and will not represent such entities in matters related to these Chapter 11 Cases.
- 7. In preparing this Declaration, I have relied on information brought to my attention pursuant to procedures Davis Polk has used to evaluate compliance with the requirements of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules, regarding the retention of professionals by a debtor under the Bankruptcy Code (the "Internal Review Procedures"). Pursuant to the Internal Review Procedures, I performed, or caused to be performed, the following actions to identify the parties relevant to this Declaration and to ascertain Davis Polk's connection to such parties:

- a. The Debtors provided Davis Polk with a list of individuals and entities that may be parties in interest in these Chapter 11 Cases (the "**Potential Parties In Interest**"), a copy of which is annexed hereto as Schedule 1.
- b. Davis Polk compared each of the Potential Parties In Interest to the Firm's master records database from its conflict clearance and billing records, which includes all clients (and former clients going back five years) for which any attorney time charges have been billed (the "Records Database"). The Records Database includes the name of each current or former client; and, for each significant current or former matter for each client or former client, the names of the Davis Polk personnel identified at the time such matter was opened as responsible for such matter and, in most instances, a list of the names of the other parties directly relevant to such matter. It is the policy of Davis Polk that no new matter may be accepted or opened without completing and submitting to those charged with maintaining the Records Database the information necessary to check each such matter for conflicts, including the identity of the prospective client, the matter and other relevant parties. Accordingly, the Records Database is regularly updated for every new client retaining Davis Polk and significant matters undertaken for such client.
- c. Any matches between the Records Database and the list of Potential Parties in Interest (including affiliates thereof) were identified (the "Client Match List").
- d. Davis Polk attorneys then reviewed the Client Match List and deleted individuals or entities that Davis Polk does not currently represent and has not represented in the last two years. The remaining individuals or entities are set forth on <a href="Schedule 2">Schedule 2</a> attached hereto.
- e. Using information in the Conflicts Databases concerning entities on the Client Match List, and making general and, if applicable, specific inquiries of Davis Polk personnel, Davis Polk verified that it does not represent and has not represented any entity on the Client Match List in a matter connected to the Debtors or these Chapter 11 Cases.
- f. A general inquiry was sent to all Davis Polk attorneys by electronic mail asking them whether any of them or their immediate family members was ever employed by any of the Debtors or own any securities of the Debtors. In addition, the inquiry asked whether any Davis Polk attorney (i) has any connections to the Debtors that are relevant to Davis Polk's

16-10992-smb Doc 636-1 Filed 06/23/16 Entered 06/23/16 10:58:56 Exhibit A: Huebner Declaration Pg 6 of 35

engagement, (ii) is related to or has any connections to bankruptcy judges in the Southern District of New York, or (iii) is related to or has any connections to any attorney known to be working in the Office of the United States Trustee for Region 2.

- 8. Any parties thus identified that Davis Polk represents as a client or has represented as a client within the last two years were reviewed by an attorney working under my supervision. Based upon such review, Davis Polk believes that, except as may be disclosed below, it does not represent or hold any interest adverse to the Debtors or to the estate with respect to the matter on which Davis Polk is to be employed by the Independent Directors.
- 9. Disclosure with respect to any connections Davis Polk has or has had with the Debtors, their significant creditors, or any other significant potential parties in interest, any of their respective attorneys and accountants, the United States Trustee or any employee of that office, insofar as I know or have been able to ascertain after reasonable inquiry, is set forth below:
  - a. Davis Polk previously has represented within the last two years and/or currently represents, and may represent in the future, the non-Debtor entities listed on Schedule 2 (or their affiliates) in matters unrelated to the Debtors. The list attached hereto as Schedule 2 is the product of implementing the Internal Review Procedures. Davis Polk does not and will not represent any of the entities listed on Schedule 2 in matters related to the Debtors' chapter 11 cases. To the best of my knowledge and information, with the exception of the entities identified in subparagraph b below and their affiliates, none of the entities listed on Schedule 2 (each together with its respective affiliates) was the source of more than 1% of Davis Polk's revenues for the twelve months ended April 2016.
  - b. Only nine of the Potential Parties In Interest, together with their affiliates, accounted for more than 1% of Davis Polk's revenues during the twelve months ended April 2016 (the "1% Clients"), and, with one exception, none accounted for more than 5% of

Davis Polk's revenues during such period.<sup>2</sup> Davis Polk has considered the position of the 1% Clients in the Debtors' cases and concluded that Davis Polk's representation of the Independent Directors does not create any conflict of interest with the 1% Clients.

- c. Partners, counsel and associates of Davis Polk, including attorneys that may be engaged in Davis Polk's representation of the Independent Directors, were in the past employed by various Potential Parties In Interest, or, when previously employed by other law firms or professional services firms, may have performed services for various Potential Parties In Interest. I do not believe any such connections would cause Davis Polk to represent or hold an interest adverse to the Debtors or to the estate with respect to the matter on which Davis Polk is to be employed by the Independent Directors.
- d. It is possible that former Davis Polk attorneys are, or were, after leaving Davis Polk, affiliated with various Potential Parties In Interest. However, I do not personally know of any such connections and do not believe any such connection would in any way affect Davis Polk's ability to effectively represent the Independent Directors.
- e. Various Davis Polk associates are seconded to the legal departments of Davis Polk clients for several months, some of whom are or were affiliates of Potential Parties In Interest.

  However, I do not believe such connections would in any way affect Davis Polk's ability to effectively represent the Independent Directors.
- f. It is my understanding that no Davis Polk attorney or their respective immediate family members owns SunEdison stock or is a creditor of the Debtors. Davis Polk attorneys invest in a broad array of mutual funds and ETFs, some number of which either currently or may in the future own securities of SunEdison or some of its creditors.
- g. Davis Polk appears in cases, proceedings and transactions involving many different attorneys, accountants, financial consultants and investment bankers, some of which have represented in the past, represent now or may represent in the future claimants and other parties in interest in these cases. Davis

Those nine are: (i) Bank of America, N.A., (ii) Citigroup Inc., (iii) Comcast Corporation, (iv) Credit Suisse AG, (v) Deutsche Bank AG, (vi) General Electric, (vii) Goldman, Sachs & Co, (viii) JPMorgan Chase & Co. and (ix) Morgan Stanley, Inc.

Polk is not aware of any relationship it has with any such attorneys, accountants, financial consultants and investment bankers that would be adverse to the Debtors or their estates.

- h. It is possible that certain Potential Parties In Interest have provided, and in some cases continue to provide, services to Davis Polk.
- i. In addition to the foregoing, through reasonable inquiry, I do not believe there is any connection between Davis Polk and the United States Trustee for Region 2 or any person known by me to be employed as an attorney with the Office of such United States Trustee.
- 10. In addition to the above connections, Davis Polk advised First Wind Holdings Inc. on its acquisition by SunEdison and TerraForm Power in 2014 (the "First Wind Matter"). All Davis Polk lawyers and paraprofessionals that worked on the First Wind Matter are subject to an internal wall and will not be involved with Davis Polk's representation of the Independent Directors. Davis Polk will not provide advice to the Independent Directors on any matters with respect to the First Wind Matter.
- 11. Davis Polk will continue to apply the Internal Review Procedures as additional information concerning entities having a connection with the Debtors is developed and, as necessary, will file appropriate supplemental disclosures with the Court.

#### DAVIS POLK'S RATES AND BILLING PRACTICES

- 12. For services rendered by Davis Polk to the Independent Directors, the Davis Polk will bill the Independent Directors monthly. Davis Polk's hourly rates for this engagement will be \$1,085 to \$1,395 for partners, \$1,045 for counsel and from \$460 to \$960 for associates. Davis Polk adjusts its rates periodically, generally on January 1 of each year.
- 13. In addition to the hourly rates set forth above, Davis Polk customarily charges its clients for costs or expenses incurred. These costs and expenses include, among other things, photocopying, travel expenses, filing and recording fees, long distance telephone calls,

postage, express mail and messenger charges, computerized legal research charges, transcription charges, expenses for "working meals," and telecopy charges.

I certify under penalty of perjury under the laws of the United States that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.
